Leave the Real Marriage for the Marriage Night

My sister and brother, we have recommended to your parents, and were recommend it to you as well- leave the real and actual marriage to the marriage night. Now that the elders have shown confidence in you, you also endeavour to honour their confidence. Do have enjoyable and lovely relations, but leave the real marriage and its peculiar issues for the marriage night.

I pray to the Almighty that you have a dynamic and prosperous life along with faith, piety, and duty consciousness.

Be felicitous:

أللهم ألف بينهما و طيب نسلهما و كثر رزقهما.

"O Allah! Develop love and purity between them and purify their offspring and make their sustenance plentiful."
