Responsibility 64: Safeguarding One's Faith Part 1

Another responsibility for those living during the period of occultation of the Imam is to supplicate for the protection of one's faith and to show humility while in the presence of Allah.

We must seek assistance in the protection of our religion from the devils which are from among the Jinn and mankind, the disbelievers and hypocrites, the enemies of the Ahlul Bayt (as) and from the doubts and uncertainties which may strike us and affect our faith.

In this regards, reciting the supplication which is mentioned in the next responsibility is sufficient to protect ourselves.
