Story no. 10: Little Ali's story

Every day, Ali went to play in the street with his friends there. One day he found out that the door of his house was locked.
He said "Mother, open the door".
His mother replied "I won't ".
Ali, with tearful eyes said "Why?"
His mother said "Because I heard that you used abusive language with your friends yesterday. I won't give you the permission leave the house".
"Mother open the door, I won't be abusive anymore".

Bravo to the mother who pays attention to the indecency of her own child which are things that are against the morals of Islam.
