Story no. 56: Iqbal's recommendation about brushing teeth to Fatih

In school, some students sat together.
Similarly, Iqbal and Fatih sat together. But Iqbal kept on looking at Fatih's defected teeth. They were yellow in colour.
Iqbal, who was raised in a religious family and was aware of the recommendations of Islam, said to Fatih "Why don't you brush your teeth? They have turned yellow!
Some days ago, I went to the mosque with my father.
There, the preacher said "I have heard that the prophet (saw) used to brush his teeth three times before going to bed".
Is'nt it very good, Fatih, if we too follow in the footsteps of the great leaders of Islam.
