Story no. 65: Why Nadeema did not go to the Wedding ceremony.

The family was invited to the wedding ceremony. The card said for Mr. _____ and family. But on the foot of the card was written “Your children are to be invited later. Which meant that children were not supposed to be coming with their parents. Still, some of the children insisted on coming with their parents.
But eight year old Nadeema told the children that we are not supposed to go with our parents because we are not invited. If we go, we will act against morality.

Bravo to those children who have good understanding and follow and obey the orders of morality.
