

## Letter 79

### [Consensus Endorses al-Siddiq's Caliphate](#)

**Safar 23, 1330**

If what you have said about the covenant and the will, as well as the clear texts, is proven accurate, then what can you say about the nation's consensus to nominate [Abu Bakr] al-Siddiq? Its consensus is an unequivocal proof that testifies to his statement (S): "My nation's consensus shall never occur regarding anything wrong," and his statement, peace be upon him and his progeny, "My nation's word shall never be misleading;" so, what do you have to say about that?

Sincerely,

S
