In His Exalted Name

This (book) is a collection of a series of traditions, which have been narrated from the Holy Prophet (S), his progeny and companions – all taken from the sources of our Sunni brethren. It also contains sayings and writings of Sunni scholars about the Awaited Mahdi who is from the progeny of Muhammad (S).

It is hoped that this book remains a means of my remembrance and a vision for others. I have arranged this book by bringing one preface, eight chapters and a conclusion. I ask Allah for its success and humbly request Him who is the best of the Helpers for His favor.
