

## The Author

Dr. Muhammad Tahir-ul-Qadri is in need of no introduction to those affiliated to the many fields, which he has mastered during a small period of time. He is the founding leader of Minhaj-ul-Quran International (MQI), which exists in over 80 countries of the world.

Its main aims are working for global peace and human rights, reviving Islamic values, teachings and traditions and striving for the unity of the Ummah through a social, educational and spiritual struggle.

As Dr. Tahir-ul-Qadri is presenting the true peaceful message of Islam pure from innovations added into it and internal and external political influences, his work, message and call are accepted with open arms. The main reasons being that he has portrayed Islam as a truly moderate faith in its original form, free from any form of extremism, fanaticism and terrorism.

As part of his vast struggle for equality, equity and equal human rights for all, he has written over three hundred books on all kinds of modern, religious, spiritual and secular issues in English, Urdu and Arabic.

Dr. Tahir-ul-Qadri is accepted as one of the highest authorities in the world on Islam, Islam and the West, Islam and Science and many other subjects, which is why he has delivered over 5000 lectures in international conferences, universities and institutions all over the world on all types of issues which are available on DVDs, Video/Audio cassettes and VCDs.

Although he is a scholar and a religious leader for whom there is no match, his educational and social efforts have also penetrated society.

Unlike any other religious personality, Dr. Tahir-ul-Qadri and his mission have attracted people from varying sects and religions. He and his organisation are the sole hope for inter-sect and interfaith peace, harmony and unity.

In a growing international atmosphere of anti-Islamism, political conflicts between Western and Muslim countries and the distance between the West and Islam seeming to be increasing, Dr. Tahir-ul-Qadri is the one man who can bridge the gap between the West and Islam. Not only can he solve the problems of the Muslim world but in doing so he will also solve the problems faced by Western nations.

The entire income of Dr. Muhammad Tahir-ul-Qadri's books, recorded audio/video cassettes and CDs of his lectures/addresses, is donated on his behalf to Minhaj-ul- Quran International (MQI).
