

In the Believers' Hearts

Today Muslims all over the world go to Karbala to visit Imam Husayn [a]. In the distance, they can see a high gold dome and high minarets.

When a Muslim enters the holy shrine full of perfume, he will find a tomb near Imam Husayn's tomb. That tomb belongs to Habib bin Mudhahir, Bani Asad's leader, and the master of the loyal.

The visitor to Imam Husayn [a] must greet his companion and say:

Peace be upon Habib bin Mudhahir al-Asady.
