Foreword

In the Name of Allah, the Beneficent, the Merciful

Our aim for the publication of these series is to introduce some aspects of biography from the history of Islam. These biographies include both types of individuals who either played a good and useful role or a bad and harmful role. We had always cherished the idea that we would be able to produce a short sketch of hard facts from the history of Islam in this field to be written exclusively to capture the interest of young children and teenagers.

We pray to the Almighty Allah to assist us in proving our present and future efforts to be accomplished facts — thus making a useful contribution to the learning of young children and teenagers and help us in this cause.

He is the Best Guide and the Best Helper.
