## **Good Of This World And The Hereafter**

## خير الدنيا والآخرة Good of this World and the Hereafter

1. Four [qualities] are such that whoever they have been given to has been given the good of this world and the Hereafter: truthful speech, fulfilling the trust, abstinence from consuming what is forbidden and good character.

2. Three [traits] are such that whoever possesses them has been bestowed with the good of this world and the Hereafter. They are: being satisfied with what has been decreed [by Allah], patience in the face of hardship and thankfulness in times of ease [and prosperity].
